

Evaluation

Describe your experience today in one word

General evaluation

Name one positive aspect of today

Frankness

Coffee

Chatham house rules,
frankness, sharing

Networking

Openness

Networking

Practical insights

Frank discussions

Cammaert

Name one positive aspect of today

Networking

Diversity

Open discussions

Great way to meet people
working on this issue

Frankness

Interaction with others on field

Different viewpoints

Informal setting, high level of
expertise among speakers

Key notes

Name one positive aspect of today

Challenging ideas with views from different perspectives/backgrounds.

Keynote speech

Integrated approach

Important issue needs our attention

Comprehensive

Good mix of development and defence actors

Networking, frankness, diversity

Honesty of all contributors

New perspectives

Name one positive aspect of today

Other people's ideas triggered new ideas for me!

Manels

Too short

Enough ideas for follow ups

Stimulating

"non-skiing countries"

Shared understanding that we need to focus on implementation

No beer before 5pm

The unclarity of definitions of PoC at the end

Name one positive aspect of today

Too little time to dive in all separate issues	Time went too fast to network	Cold
Definitions	Police	Police
More academics	European Union POC Perspective (also has a POC policy since 2015)	Yes

Name one negative aspect of today

I missed police input

Breaks too short

Define 'Training'

Digressing from training subject

Temperature

No beer before 5pm

Always difficult to cram so much in a single day but I think this was handled effectively!

Terms not clearly defined at the beginning so sometimes not talking about same subject

Only one day. People become closer and more open to sharing with more networking time over dinner and come back on the next day willing to engage.

Name one negative aspect of today

No substantial points

Military/NATO focus

No beer yet

Too Many subjects Discussed

"non-skiing countries"

Sometimes too Political correct

Focus - training for PoC or PoC
in general Lack of focus to
human security

Lot of focus on UN

Time for networking limited in
between sessions

Name one negative aspect of today

Unstructured break out session

More to ngo aspect

Difficult to identify best practices

Police

Which key people or perspectives were missing today?

Police

Police trainers

Police

Politicians

Civilians

Police

People that are trained

Justice

Political level

Which key people or perspectives were missing today?

Political dimension

Ambassadors

Trained military

Diversity from other countries/perspectives

More academics

Non-Western TCC/PCC

NATO, AU and EU

Other TCCs/PCCs

Academia

Which key people or perspectives were missing today?

Somebody representing a population group affected by conflict

Police and TCCs

X

UN civilian pillar

Will you join us for drinks?
