Poor governance at the governorate, district, or local level

Others

religious groups

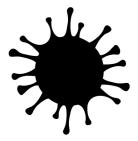

70% protect girls from violence

Women in my family **should not be** 48% serving in the police

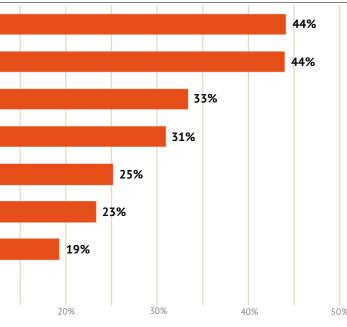

Report job losses in their community due to the COVID-19 pandemic

## LIKELY CAUSE CONFLICT IN IN THE NEXT YEAR?

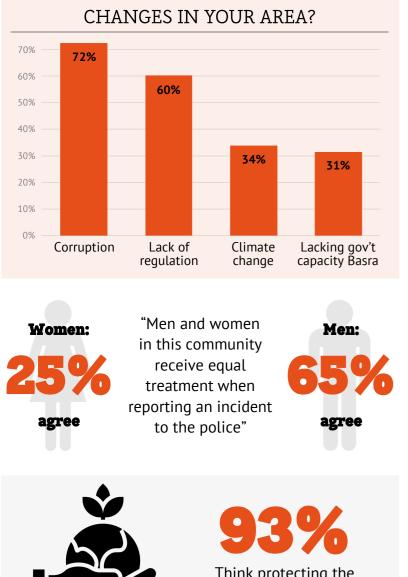

# Human Security Survey Iraq

Basra – December 2021

WHAT CAUSED THE ENVIRONMENTAL

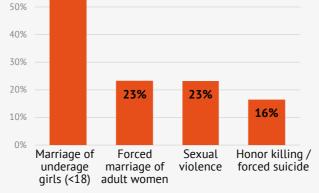

Believe water problems led to worse public health

Think protecting the environment is important

Solid waste pollution (garbage, industrial waste)

Air pollution

Water pollution/ contamination

Land contamination (oil, hazardous materials)

Land degradation

## HUMAN SECURITY SURVEY METHODOLOGY

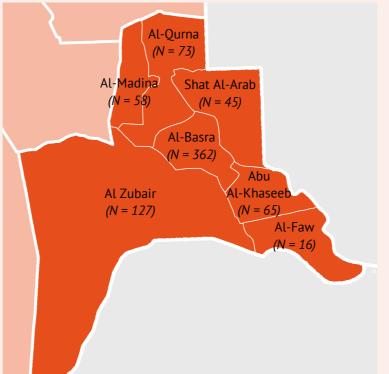

During 2 weeks in December 2021, 12 enumerators conducted 746 face-to-face interviews across all 7 districts of Basra Governorate using a standardized survey script. For more details on how HSS data is collected and analyzed, view our methodological note.

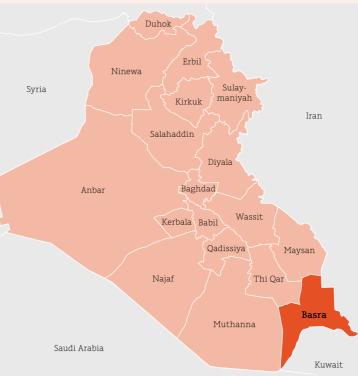

Only

and crime in their

community

The Iraqi Al-Firdaws Society, trusted partner of PAX, will continue its work in Basra through community engagement activities with civilians, authorities, and security actors to improve the local security situation using the results of the Human Security Survey.

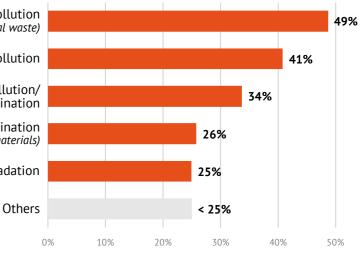

Left: Map of Basra Governorate, including the number of HSS respondents per district. Right: Map of Irag. Disclaimer: These maps are intended for illustrative purposes only and do not warrant accuracy or completeness, nor does it imply the expression of any opinion by PAX.

Believe that political and security actors need more information about civilians' priorities in order to improve the security situation

## HAVE ENVIRONMENTAL PROBLEMS INCREASED IN YOUR AREA IN THE LAST YEAR?

#### The Human Security Survey

(HSS) is a methodology developed by PAX to collect data and facilitate dialogue about civilians' experiences in conflict situations.

Read more about PAX or the Human Security Survey in Iraq on protectionofcivilians.org or contact Saba Azeem (azeem@paxforpeace.nl).

Find more HSS data on our interactive dashboards of Irag and South Sudan.
